

VIBHRAM

EndureAir
Fly with Purpose!

**EndureAir Systems a dynamic
world class aerial robotic
end-to-end solutions provider.**

VIBHRAM-E

FEATURES

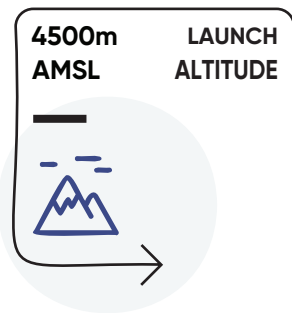

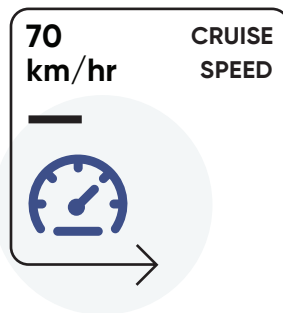

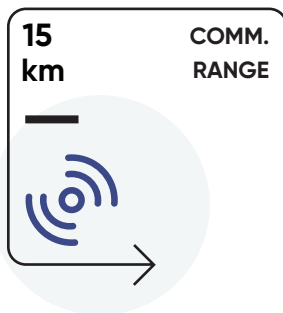

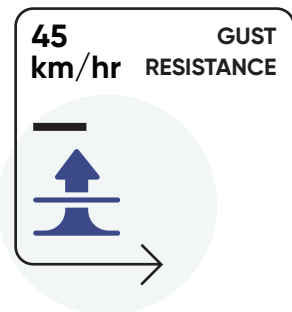

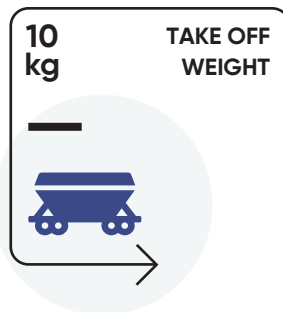

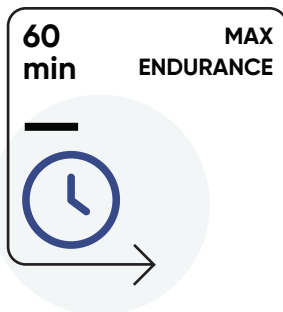

- Vertical Take Off & Land
- Precise Navigation
- GPS Redundancy Failsafe
- RTH On Communication Failure
- RTH On Low Battery

APPLICATION

- ISR,ADP
- Crowd Monitoring
- Pipeline Inspection

TECHNICAL SPECIFICATIONS

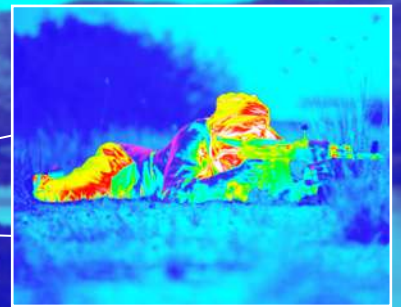

OFFERINGS

Day Mode

1920*1080p/ 1280*720p, 5X/10X/40X Optical zoom, 4X digital zoom, FOV-40 degree

Night Mode

640*480p,4X Digital zoom,FOV 14 degrees

VIBHRAM-G

FEATURES

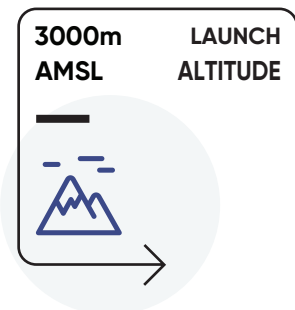

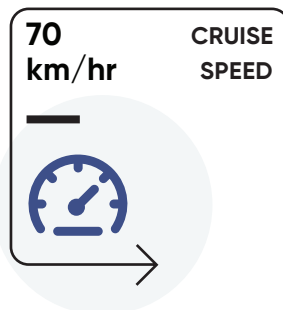

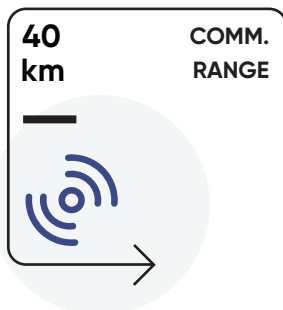

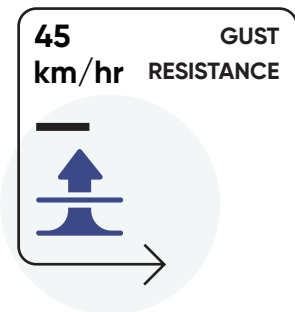

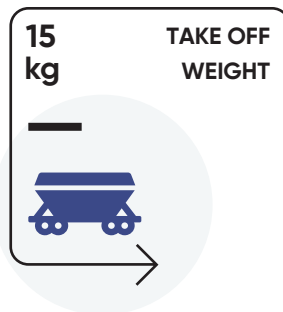

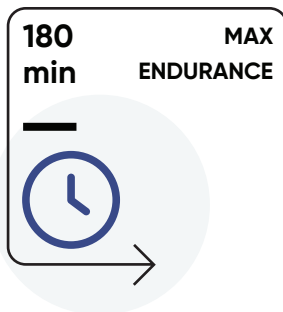

- Gasoline Powered
- Precise Navigation
- Swappable Payloads
- RTH On Communication Failure
- Vertical Take Off & Land

APPLICATION

- ISR,ADP
- Crowd Monitoring
- Pipeline Inspection
